ESPERANCE CHALET VILLAGE

Esperance Chalet Village is a unique bush coastal estate and is a collection of laid back self contained cabins, chalets and shacks all individually styled - an idyllic hideaway located on the edge of town at picturesque Bandy Creek.

Nestled around mature trees and within walking distance to pristine beaches and a short 5km bike ride or drive to the heart of Esperance's town centre, Esperance Chalet Village is a peaceful holiday base to enjoy stunning natural attractions like Cape Le Grand National Park and Lucky Bay.

ECV hosts events in the bespoke and intimate space, The Creek House including wellness retreats, corporate gatherings and weddings. Catering and kitchen facilities on site.

Escape the ordinary and experience village life.
