# Wave Rock Resort

Wave Rock Resort has been developed to cater for guests who would like to get away from it all in a 'home away from home' setting.

The Wave Rock Resort offers a total of 14 two bedroom cottages situated on the shores of Lake Magic, 1 kilometre north of Wave Rock.

Lake Magic is a naturally occurring gypsum-based salt lake, which has never been dry. Nothing grows or lives in the lake due to the gypsum content. It is a clear lake with white beach sand around the perimeter.

Guests can enjoy free entry to the Natural Salt Spring at the Resort, a 6m deep swimming pool-like gypsum pond whose buoyancy and therapeutic properties are greater than those of the Dead Sea.
